

## Fall 2018 Travel Soccer Registration

EWSC offers two soccer programs: recreational (**REC**) and competitive or non-competitive travel teams (**Travel**). REC has its practices and games at Osborn Field and is geared toward younger players. Travel plays half of its games at home and half on the road in the north-central part of Connecticut. Travel gives players the opportunity to play against a variety of teams of comparable performance rank. Travel teams have the option to play in tournaments.

**REC** soccer is coed and open to players born in **2009** through **2013**. Players born in 2009 (U10) are encouraged to register for Travel soccer rather than REC. Players born in 2010 (U9) are encouraged to play REC but have the option of trying out for Travel.

*See p. 2 for full details about our REC Program.*

**Travel** soccer is open to players born in **2005** through **2010**. Players born in 2010 (U9) are encouraged to register for REC rather than Travel; however, they can play in the Travel program if they are ready to play *up* with some teammates who could be a year or two older. Players born in 2009 (U10) are encouraged to play Travel but have the option of playing in the REC program if it is more suitable for their situation.

Balanced, age-appropriate teams will be formed after the close of registration. Teams can be all boys, all girls, or girls can play on boys' teams; the teams we form depend on the age-gender mix of players who register.

### Travel Tryouts

REC players do not have to try out. **Travel players must register and then attend one of the following tryout sessions:**
